The PBD website has a provision for Group Registration where a minimum of 10 members are required to register as a group. Special discounts are available for group registrations. For the Group Registration, Group Coordinator (who is also a member of the group) of the group would register a group and upload a group document. The group document contains the full name, email ID, phone number and passport number etc of all the members of the group.

**2. Steps for Group Registration**

- Go to <https://pbdindia.gov.in/register-now>
- Select the box REGISTER AS A GROUP.
- Fill in the necessary details on the page. Fields marked with asterisk (\*) are mandatory.
- The Coordinator of the group needs to fill the form. Mention the Name and Email Address of the Coordinator accurately as any further information would be sent to him/her.
- Upload a Group Document in the PDF, DOC, DOCX, XLS, XLSX formats. A Group Document is a document containing Full Name, Email ID, Phone Number, Passport Number, and Nationality of all the members of the group who wish to attend the PBD 2023. [Click here](#) to download sample document.
