

**Advisory for Indian nationals travelling to or residing in UAE
to take adequate medical insurance**

The Embassy of India, Abu Dhabi and Consulate General of India, Dubai & Northern Emirates have been receiving several instances of Indian nationals meeting with unforeseen illnesses or medical emergencies resulting in huge medical bills beyond the capacity of the patient or their family members to bear and having inadequate insurance cover.

2. All Indian nationals who are travelling to UAE for visit or tourism purposes are hereby advised to take adequate and appropriate medical insurance, prior to commencement of their journey, which also covers cashless facilities including the cost of medical repatriation to India in the event of unforeseen medical emergency.

3. Indians residing in UAE on employment visa or as dependents are advised to verify that their medical insurance is adequate to cover all medical expenses in UAE and medical repatriation to India.
