

NOTICE

Invitation for - India Electronics Expo 2027 (INDELXPO)

“India Electronics Expo 2027(INDELXPO 2027)”, 12th edition of India Electronics Expo an initiative of the Electronics and Computer Software Export Promotion Council (ESC), with the support of the Ministry of Commerce & Industry, Government of India, is scheduled to be held from **23–25 March 2027 at Bharat Mandapam, New Delhi.**

India Electronics Expo has emerged as India's premier international exhibition dedicated to electronics manufacturing, electronic components, telecom equipment, embedded systems, semiconductors, EMS, consumer electronics, security systems, medical electronics, drones, IoT solutions, renewable energy electronics and other emerging technologies. The exhibition provides an ideal platform for overseas buyers to identify reliable Indian suppliers, explore sourcing opportunities, establish joint ventures and strengthen long-term business partnerships.

India's electronics industry is witnessing unprecedented growth, supported by strong Government initiatives aimed at making India a global manufacturing and innovation hub. Programmes such as the **Electronics Component Manufacturing Scheme (ECMS)**, **Semicon India Programme**, and other manufacturing initiatives are significantly strengthening India's electronics ecosystem and creating substantial export opportunities for global buyers.

The expo will strengthen bilateral trade, boost India's electronics exports, and foster lasting partnerships between Indian electronics manufacturers and businesses in the UAE. A copy of the brochure is attached.

JOIN AS AN EXHIBITOR @ INDELXPO 2027

Your Gateway to
World's 3rd largest
Electronics Market

WHY EXHIBIT?

01 Plug into India's Growth Engine

Join a thriving ecosystem of \$130+ Billion where global companies connect with local expertise, enabling seamless market entry and long-term expansion.

02 Generate High-Value Business Leads

Connect with a powerful network of retailers, distributors, global buyers, OEMs, investors and policymakers - all under one roof.

03 Showcase Innovation to a Global Audience

Present your products and solutions to a highly targeted international audience actively seeking new technologies and collaborations.

04 Tap into India's Semiconductor Momentum

Position your brand at the center of India's rapidly expanding semiconductor and electronics manufacturing ecosystem.

SHOW HIGHLIGHTS

250+ Startups

1,500+ Exhibitors

55,000+ Business Visitors

70+ Countries Represented

700+ International Delegates

6,000+ pre-scheduled B2B Meetings

PROVEN BUSINESS IMPACT 2026 EDITION*

437 MoUs Signed

1,400+ MoUs Negotiated

8,700+ Business Enquiries

USD 3.42 Billion Business Generated

INDIA ELECTRONICS
EXPO 2027

WHY ATTEND AS A GLOBAL BUYER?

Discover Reliable Manufacturing Partners

Meet pre-vetted Indian manufacturers, OEMs and solution providers across the electronics value chain.

Source Cost-Competitive, High-Quality Products

Explore a wide range of components, systems and innovations aligned with global quality standards.

Engage in Curated B2B Meetings

Maximize efficiency with pre-scheduled one-on-one meetings tailored to your sourcing needs.

Leverage India's Expanding Export Capabilities

Tap into one of the fastest-growing electronics manufacturing hubs with strong government support to foreign buyers.

BUYER'S VISIT OBJECTIVES

MEET | CONNECT | GROW

UNLOCK GLOBAL GROWTH AT INDELXPO 2027

INDELXPO brings together the world's best in electronics to create unparalleled opportunities for innovation, collaboration and business growth.

B2B MATCHMAKING

Connect with 5,000+ pre-qualified buyers, partners and investors through curated B2B meetings.

PRODUCT LAUNCHES

Launch new products to a global stage and generate buzz among targeted buyers, media and influencers.

INNOVATION SHOWCASE

Showcase cutting-edge technologies and solutions to a global audience of industry leaders and decision makers.

INTERNATIONAL PAVILIONS

Explore new markets and build strong global connections with pavilions from 70+ countries.

MANUFACTURING PARTNERSHIPS

Meet reliable manufacturers and build long-term, resilient supply chain partnerships.

MARKET INSIGHTS

Gain strategic insights on global trends, emerging markets and future opportunities in electronics.

GOVERNMENT CONNECT

Engage with policymakers and explore initiatives driving India's electronics growth story.

START-UP ZONE

Pitch, connect and collaborate with investors, Vcs and industry mentors.

ENDLESS POSSIBILITIES

BUYER TESTIMONIALS

My first visit to India Electronics Expo was highly impressive. The event reflects India's readiness to play a larger role in global technology and supply chains. Productive meetings with exhibiting companies have opened strong sourcing opportunities making this a must-attend platform.

Kyaw Swa Oo,
Managing Director,
sLife Co. Ltd., Myanmar

A highly rewarding experience with extensive business interactions and promising partnerships with exhibiting companies. India Electronics Expo offers exceptional opportunities for global collaboration in electronics. We look forward to participating again.

Tatyana Tsvetkova,
Operations Director,
KazAviation, Kazakhstan

India Electronics Expo 2026 was an excellent experience, bringing a wide spectrum of electronics and technology companies together under one roof, showcasing strong manufacturing capabilities. The meetings and interactions were highly productive especially across electronics manufacturing.

Anubhav Srivastava,
Director, Sony India

EXHIBITOR TESTIMONIALS

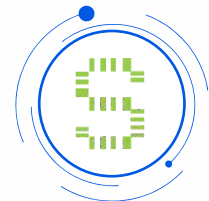

INDELXPO 2026 proved to be a powerful launchpad for our global expansion—bringing high-quality visitors, meaningful connections & valuable insights into next-gen technologies. We built a strong pipeline of qualified leads & unlocked real opportunities for international partnerships. Truly, a must-attend event for any company looking to grow globally.

Sherry Xie,
International Sales Manager,
Hunan Yideng New Energy Co., Ltd

Participating in INDELXPO 2026 was a truly strategic step for us, offering the right platform to expand our market presence and connect with global decision-makers. The high-quality interactions and well-curated B2B meetings led to strong business leads and promising long-term collaborations. Overall, a highly productive and rewarding experience for our growth journey.

HU XIAFEI,
Anhui MADO Optoelectronics
Technology Co., Ltd

The India Electronics Expo is consistently a rewarding platform that enhances our outreach and reinforces our commitment to participate year after year. We engaged with industry leaders, showcased our capabilities & gained valuable insights into the evolving electronics ecosystem.

Varun Manwani,
Director,
Sahasra Electronics
