“Vibrant Goa Global Expo & Summit 2026”, an initiative focused on building meaningful global partnerships by bringing together governments, industries, innovators, and institutions on a common platform, will be held from **29th to 31st October 2026 in Goa, India.**

The efforts are centered around creating opportunities that encourage international trade dialogue, cross-border collaboration, and sustainable economic development. The aim is to support businesses—particularly emerging enterprises and innovators—in accessing global markets and forming strategic alliances.

The event is envisioned as a global platform for trade, investment, innovation, tourism, technology, manufacturing, sustainability, startups, defence, and international collaborations. Participation from distinguished representatives of your country would provide valuable opportunities for networking, knowledge exchange, and strengthening bilateral business and cultural relations.

We would be honoured to welcome delegates, industry leaders, business representatives, innovators, policymakers, and sector experts from the UAE to participate in the Summit.

The event can open avenues for:

- ◆ Strengthening bilateral trade relations
- ◆ Promoting investment and joint ventures
- ◆ Showcasing national strengths in key sectors
