

## **NOTICE**

### **Invitation for the Medtech Expo 2025**

\*\*\*

The Export Promotion Council for Medical Devices (EPCMD), under the aegis of Department of Pharmaceuticals (DoP) in collaboration with Department of Commerce (DoC), Government of India is organizing **2<sup>nd</sup> India MedTech Expo** during **4<sup>th</sup> to 6<sup>th</sup> September 2025** at Pragati Maidan, New Delhi .

This Expo will feature an Exhibition, Conference, Regional Forums, and B2B Meetings, with a Reverse Buyer Seller Meet (RBSM) as a key highlight. The newly formed EPCMD is dedicated to advancing the interests of India's medical device sector through the following key initiatives;

- Advocating industry concerns with the Government of India and international agencies to foster business-friendly policies.
- Providing policy recommendations to facilitate medical device exports.
- Issuing Certificates of Origin and Registration cum Membership Certificates (RCMC) through an efficient online process.
- Organizing seminars and interactive sessions to build export-related capacity among industry stakeholders.
- Collaborating with Indian diplomatic missions to organize business meetings and networking events in India and abroad.
- Leading and participating in international exhibitions and trade delegations to enhance global outreach.

#### **Delegate Selection Criteria;**

- Reimbursement details will be shared upon the final selection of successful candidates by the screening Committee
- A maximum of 5-6 delegates per country will be hosted on a first-come, first-served basis, subject to profile suitability and screening committee approval.
- Only one delegate per organization will be considered.

Please submit nominations by **23<sup>rd</sup> June, 2025**, in the format below on a priority basis by **Monday - 23<sup>rd</sup> June 2025** to [india.medtech@epcmd.in](mailto:india.medtech@epcmd.in)
