NOTICE

Invitation for tender

***

The Bharat Heavy Electricals Limited (BHEL), Solar Business Division (SBD) situated in Bangalore, India has issued a tender with the following details ;

Tender Ref: BHEL/SBD/ TRACKERS /EOI/01 Dated 16.11.2026

Due Date of Receiving duly filled EOI: 26.11.2026 14:00 Hrs

BHEL-SBD anticipates significant business opportunities involving approximately 2 GW of Solar Tracker Systems for various upcoming Solar PV projects over the next two years.

Considering that Tracker Systems constitute one of the major cost components of a Solar Power Plant, BHEL has initiated an Expression of Interest (EOI) to identify and shortlist capable and interested vendors who can partner with BHEL for the supply of Tracker Systems for its upcoming projects.

The link for accessing is as below:
https://tenders.bhel.com/expression-interest-eoi-supply-tracker-system

Through this EOI, BHEL intends to provide an opportunity to prospective vendors to associate with BHEL and explore potential business opportunities. The shortlisted bidders may be considered for subsequent project-specific procurement processes, subject to BHEL's requirements and applicable procurement procedures.

Kindly participate in the EOI and submit your Expression of Interest along with the requisite details/documents within the stipulated time line by 26.11.2026 2 PM .

BHEL SBD Herewith Publishes

Expression of Interest (EOI)

and

Invites Prospective vendors to partner with BHEL for Tracker System

Due Date of Receiving duly filled EOI: 26.11.2026 14:00 Hrs

About BHEL

BHEL is India's largest engineering and manufacturing enterprise, operating in the energy, industry and infrastructure sector. Company was established in the year 1964 and since then it has been "Making in India" offering comprehensive products, systems, and services in various areas including power generation (thermal, hydro, gas, nuclear, and solar PV), transmission, transportation, defence, aerospace, oil and gas, and emerging sectors like battery energy storage systems and electric vehicle chargers. BHEL has been instrumental in developing the country's power generation capacity, contributing to core industrial and strategic sectors since the time of its humble beginning. The company's commitment toward its customer is evident through wide range of product portfolio, development and absorption of new technologies, consistent investment of more than 2.5% of its revenue on R&D and innovation, establishment of world-class manufacturing facilities and offering sustainable business solutions. Apart from serving customers, BHEL has been supporting communities through programs like skill development, promoting health, hygiene, education, cleanliness and environmental protection, thus contributing to the society as a whole.

BHEL SBD anticipates substantial business opportunities of 2 GW involving tracker systems for various upcoming Solar PV projects in next two years. Also, Tracker Systems constitute one of the major cost components of a solar power plant

The purpose of publishing this EOI is to provide opportunities to probable vendors who can partner with BHEL for Supply of Tracker System and to shortlist interested parties for further procurement action for upcoming projects The shortlisted Bidders may be considered for subsequent project specific procurement under BHEL's rights.

Note: BHEL reserves its right to independently verify the documents submitted and visit the vendor works for assessment. Necessary arrangements shall be made by the prospective vendors

ANNEXURE VI

NON-DISCLOSURE AGREEMENT

I, _____, on behalf of the _____ (Name of Company),

acknowledge that the information received or generated, directly or indirectly, while working with BHEL on contract is confidential and that the nature of the business of the BHEL is such that the following conditions are reasonable, and therefore:

I warrant and agree as follows:

I, or any other personnel employed or engaged by our company, agree not to disclose, directly or indirectly, any information related to the BHEL Without restricting the generality of the foregoing, it is agreed that we will not disclose such information consisting but not necessarily limited to:

- Technical information: Methods, drawings, processes, formulae, compositions, systems, techniques, inventions, computer programs/data/configuration and research projects.
- Business information: Customer lists, project schedules, pricing data, estimates, financial or marketing data,

On conclusion of contract, I, or any other personnel employed or engaged by our company shall return to BHEL all documents and property of BHEL including: drawings, blueprints, reports, manuals, computer programs/data/configuration, and all other materials and all copies thereof relating in any way to BHEL, SBD's business, or in any way obtained by me during the course of contract. I further agree that I, or any others employed or engaged by our company shall not retain copies, notes or abstracts of the foregoing.

This obligation of confidence shall continue after the conclusion of the contract also.

I acknowledge that the aforesaid restrictions are necessary and fundamental to the business of the BHEL and are reasonable given the nature of the business carried on by the BHEL. I agree that this agreement shall be governed by and construed in accordance with the laws of country.

I enter into this agreement totally voluntarily, with full knowledge of its meaning, and without duress.
