

Regular paper visa or Traditional Visa

As per Government of India's guidelines, it may be noted that all Indian visa applications are required to be submitted online on mandatory basis starting from January 01, 2012. Visa applicants, under any category, can do so by completing the online visa application form available on the website **<http://www.indianvisaonline.gov.in/visa/>**. Thereafter, a signed printed copy of the online visa application is to be submitted to AI Hind center along with other necessary supporting documents and due visa fee **<https://consularsevainuae.com/>** and other applicable charges.

Indian visa applications are received at AI Hind Centers. For location of the Centers and more information, please visit Indian Consular Application Portal website at **<https://consularsevainuae.com/>** or call ICAP helpline at **800 248517**
