No. Abu/Admn/815/1/2026

Embassy of India

Abu Dhabi

Dated: 22.10.2026

NOTICE INVITING TENDER

1. The Embassy of India, Abu Dhabi invites sealed bids under the **two-bid system** from registered, eligible and authorised firms/agencies for the **supply, installation, testing and commissioning of X-ray baggage scanner** at the Embassy of India, Plot No. 10, Sector W-59/02, Diplomatic Area, Off the Airport Road, Abu Dhabi, UAE, as per the Scope of Work, technical specifications and terms and conditions contained in the tender document.
2. The tender document can be downloaded from the websites **www.indembassyuae.gov.in** and **www.eprocure.gov.in** (Central Public Procurement Portal) from 22.10.2026 onwards. **No tender fee shall be charged for the tender document.** Any corrigendum/addendum to the tender document, if required, shall be hosted only on the above websites, and bidders are advised to visit the websites regularly. The complete **Bid Schedule** is given on the page following this Notice.
3. Interested firms/agencies shall submit their bids in separate sealed envelopes superscribed "**Envelope A – Technical Bid**" and "**Envelope B – Financial Bid**". Both sealed envelopes shall be placed in a single outer envelope superscribed "**Tender No. Abu/Admn/815/1/2026 for Supply, Installation, Testing and Commissioning of X-Ray Baggage Scanner at the Embassy of India, Abu Dhabi – Do not open before 12.11.2026 at 1100 hrs**" and addressed to the **Head of Chancery, Embassy of India, Plot No. 10, Sector W-59/02, Diplomatic Area, Off the Airport Road, Abu Dhabi.** The envelope shall be deposited at the Reception of the Embassy on any working day (Monday to Friday) between 1000 hrs and 1600 hrs. Bids shall not be accepted after **1300 hrs on 11.11.2026** under any circumstances.
4. **Bid Securing Declaration:** No Earnest Money Deposit is required. In accordance with Rule 170(iii) of GFR 2017, the bid shall be supported by a Bid Securing Declaration, which forms part of the Letter of Bid and Declaration at **Annexure-4**, duly signed and stamped. Bids without the signed declaration shall be summarily rejected.
5. **Site visit / Pre-bid meeting:** Prospective bidders may inspect the installation site between 1100 hrs and 1600 hrs from 22.10.2026 to 05.11.2026 on prior appointment. A pre-bid meeting shall be held on 02.11.2026 at 1500 hrs at the Embassy. Requests for appointment and written queries may be sent to **prop.abudhabi@mea.gov.in** latest by 05.11.2026. For coordination, bidders may contact **Mr. Saurabh Prajapati, Attaché (Property & Projects)** at +971-54-545 6024.
6. The Technical Bids shall be opened at **1100 hrs on 12.11.2026** at the Embassy by a committee constituted by the Competent Authority, in the presence of bidders or their authorised representatives who choose to attend. The Financial Bids of only those bidders whose Technical Bids are found responsive shall be opened on **19.11.2026**, at a time to be intimated to them.
7. Bids quoting NIL charges/consideration, and conditional bids shall be rejected. Incomplete bids are liable to be rejected.

- 8.** The Competent Authority reserves the right to accept or reject any or all bids, or to cancel the tender process at any stage, without assigning any reason. The decision of the Competent Authority of the Embassy shall be final and binding.

BID SCHEDULE

S. No.	Event	Date and Time
1.	Published date	22.10.2026
2.	Bid document download start date	22.10.2026
3.	Bid submission start date	22.10.2026
4.	Clarification start date	22.10.2026
5.	Site visit (on prior appointment)	22.10.2026 to 05.11.2026 (1100–1600 hrs, Monday to Friday)
6.	Pre-bid meeting date	02.11.2026 at 1500 hrs
7.	Clarification end date	05.11.2026
8.	Bid submission end date	11.11.2026 at 1300 hrs (1 PM)
9.	Date of Technical Bid opening	12.11.2026 at 1100 hrs
10.	Date of Financial Bid opening (technically qualified bidders only)	19.11.2026 (time to be intimated)

Note: All bids shall be opened at the premises of the Embassy of India, Plot No. 10, Sector W-59/02, Diplomatic Area, Off the Airport Road, Abu Dhabi. If any of the above dates is declared a holiday, the event shall take place on the next working day at the same time.

SECTION – I: GENERAL INSTRUCTIONS

- 1.1** For the purposes of this Tender Document, the Embassy of India, Abu Dhabi shall be referred to as the "**Client**" or the "**Embassy**", and the bidder/successful bidder shall be referred to as the "**Bidder**", "**Supplier**" or "**Contractor**", interchangeably.
- 1.2** This procurement shall be governed by the General Financial Rules (GFR), 2017 of the Government of India and the instructions issued thereunder, as applicable to Indian Missions abroad.
- 1.3** While every effort has been made to avoid errors in the drafting of the Tender Document, bidders are advised to check it carefully. No claim on account of any error detected in the Tender Document shall be entertained. Any discrepancy, omission or ambiguity shall be brought to the notice of the Embassy before the pre-bid meeting/last date for queries.
- 1.4** The bidder shall submit a copy of the authorisation letter/Power of Attorney as proof of authorisation of the person signing the bid on its behalf. Annexures 2, 3, 4 and 6 shall be signed and stamped by the authorised signatory of the bidder, and Annexure-5 by the OEM, and all pages of the bid shall be numbered.
- 1.5** The parties to the Contract shall be the successful bidder (to whom the contract is awarded) and the Client, i.e., the Embassy of India, Abu Dhabi.
- 1.6** For all purposes of the contract, including arbitration thereunder, the address of the bidder mentioned in the bid shall be final unless the bidder notifies a change of address by a separate letter delivered by hand/courier or by e-mail to prop.abudhabi@mea.gov.in. The bidder shall be solely responsible for the consequences of any failure to notify a change of address in this manner.
- 1.7** Bidders are advised to visit the installation site to assess the space, civil, electrical and other site conditions before submitting their bids. Submission of a bid shall be deemed to mean that the bidder has inspected the site and understood the complete requirement, and no claim on account of site conditions shall be entertained later.
- 1.8** The bidder shall bear all costs associated with the preparation and submission of its bid, site visits and attendance at the pre-bid meeting and bid opening. The Embassy shall in no case be responsible or liable for these costs, regardless of the outcome of the tender process.
- 1.9** For any tender-related enquiry, query or clarification, please contact: **Head of Chancery, Embassy of India, Abu Dhabi** – E-mail: **prop.abudhabi@mea.gov.in**.
- 1.10** **Caution against fraudulent communication:** The tender document, corrigenda and all communications relating to this tender shall be issued only through the official websites and the official e-mail addresses of the Embassy ending in **@mea.gov.in**. The Embassy does not charge any fee for the tender and does not authorise any agent or intermediary. Bidders shall verify any communication purporting to be from the Embassy and shall report any suspicious approach to the Head of Chancery.

SECTION – II: SCOPE OF WORK AND TECHNICAL SPECIFICATIONS

Bidders shall respond to each numbered clause of this Section in the Technical Compliance Statement at Annexure-3.

II-A SCOPE OF WORK

Quantity: One (01) X-Ray Baggage Scanner.

1. **Eligibility of manufacturers:** Baggage scanner machines manufactured in countries sharing a land border with India shall not be eligible for consideration, even if the bidder emerges as the lowest (L1) bidder, in accordance with the applicable Government of India procurement guidelines and restrictions.

II-B TECHNICAL SPECIFICATIONS

2. Specification:

1. **Resolution — 42 SWG or better:** Specify this as wire resolution of 42 SWG or better, verified using a suitable test piece.
2. **Tunnel size — 600 × 400 mm:** Clear minimum dimensions, but clarify that the 10% upward variation is permitted without reducing either minimum dimension.
3. **Penetration — 30 mm steel:** Specify the test method and acceptance criteria so all bidders demonstrate performance consistently.
4. **Power supply — 180–260 V, 50 Hz, single phase:** Reasonable to retain, subject to compatibility with the installation site.
5. **Conveyor:** Retain the minimum speed of 0.2 m/s, 160 kg load, 750 mm height, bidirectional operation, and stainless-steel rollers.
6. **X-ray generator:**
 - 6.1 **Cooling:** The X-ray generator shall have a suitable cooling system, such as sealed oil-bath cooling or an equivalent arrangement, as recommended by the manufacturer, to ensure reliable and continuous operation.
 - 6.2 **Anode Voltage:** The X-ray generator shall have an anode voltage of 160 keV or higher to ensure adequate penetration and image quality for baggage screening.
 - 6.3 **Tube Current:** The X-ray tube current shall be appropriately rated and controlled by the manufacturer to ensure safe and reliable operation while meeting the required penetration and image-quality performance.
 - 6.4 **Beam Divergence:** The X-ray beam shall provide adequate coverage of the entire scanning tunnel so that the complete image

Tender No. Abu/Admn/815/1/2026 – X-Ray Baggage Scanner, Embassy of India, Abu Dhabi
of baggage of the maximum permissible size is displayed without corner cuts or loss of image information. Compliance shall be verified during installation and commissioning through appropriate performance and image-quality tests.

7. **Computer Configuration for Image Storage and Archiving:**

- 7.1 **Configuration:** The computer workstation shall be new, of current production, and fully compatible with the offered X-ray baggage scanner.
- 7.2 **Processor and RAM:** The workstation shall have a current-generation processor and a minimum of 16 GB RAM, or higher as recommended by the scanner manufacturer, suitable for continuous operation.
- 7.3 **Storage:** The workstation shall have a minimum 512 GB SSD, with additional storage as required for the specified image-retention period and screening volume.
- 7.4 **Software Compatibility:** All hardware, operating systems and software shall be manufacturer-supported, compatible with the offered scanner, and capable of ensuring reliable, uninterrupted operation.

8. **Computer Configuration for Image Storage and Archiving**

- 8.1 The workstation shall be new, of current production, manufacturer-supported, and fully compatible with the offered X-ray baggage scanner.
- 8.2 **Processor:** Current-generation processor meeting or exceeding the manufacturer's recommended requirements for image processing and continuous operation.
- 8.3 **Storage:** Minimum 512 GB SSD, with additional storage or archiving capacity as required by the screening volume and image-retention requirements.
- 8.4 **Data Backup:** Facility for secure image export and backup through approved external media or an equivalent solution.
- 8.5 **RAM:** Minimum 16 GB, or higher as recommended by the scanner manufacturer.
- 8.6 **UPS:** Reputed make online UPS providing a minimum 30 minutes of backup at the connected load, with sealed maintenance-free (SMF) batteries or equivalent.
 - 8.6.1 **Capacity:** Adequate for the complete connected system load.

- 8.6.2 **Input voltage:** Compatible with the supplied equipment and the UAE electrical supply (230 V AC, 50 Hz, single phase).
- 8.6.3 **Output voltage:** 230 V AC, regulated and suitable for the connected equipment.
- 8.6.4 **Transfer time:** Zero milliseconds (online UPS).
- 9. **Zoom Facility:** The machine shall provide image magnification of at least 8×, with image functions controllable through the operator keyboard or control panel.
- 10. **Film Safety:** The machine shall be film-safe for photographic films in accordance with the manufacturer's specifications.
- 11. **Multi-Energy X-Ray Imaging:** The machine shall incorporate multi-energy X-ray imaging to distinguish organic and inorganic materials using different colours. It shall support enhanced examination of suspicious materials, including high-density organic materials, and provide real-time material discrimination.
- 12. **Variable Contrast:** Variable contrast adjustment shall be available to enhance light and dark areas of the image.
- 13. **Penetration Alarm:** If an item cannot be adequately penetrated for effective image interpretation, both audible and visual alarms shall alert the operator.
- 14. **Threat Image Projection (TIP) System:** The machine shall incorporate an integrated TIP system to support operator training, alertness assessment and performance monitoring.
 - 14.1 **TIP Functionality:** The system shall project simulated threat images during baggage screening. Operator responses shall be recorded for authorised supervisory review and audit.
 - 14.2 **System Design**
 - 14.2.1 TIP software shall operate in conjunction with the scanner's image-processing functions and shall not adversely affect normal screening operations.
 - 14.3 **Image Library**
 - 14.3.1 The TIP library shall contain at least 100 explosive-device images, 100 knife images and 100 firearm images, covering different sizes, shapes, positions and orientations. The library shall be expandable by authorised users.

- 14.3.2 Threat images shall be realistic and representative of actual threat items, including different viewing angles and orientations.

14.4 Time Interval

- 14.4.1 The system shall allow authorised users to configure the frequency, intervals and category distribution of projected threat images.
- 14.4.2 Following an operator response, the system shall display the relevant feedback and retain the image for a configurable review period.

14.5 System Administration

- 14.5.1 The system shall maintain user records, including operator identification, organisation, access level and relevant administrative information.
- 14.5.2 Access to administrative functions shall be restricted through password protection or equivalent authentication. Login shall not exceed 20 seconds. Any TIP bypass facility shall be restricted to authorised administrator control.
- 14.5.3 The system shall display confirmation of successful operator login and logout.

14.6 Feedback Reports

- 14.6.1 The TIP system shall provide HIT, MISS and FALSE ALARM feedback, as applicable.
- 14.6.2 The system shall record operator responses and associated feedback in its database.
- 14.6.3 Feedback shall use distinguishable colour coding, preferably green for HIT, red for MISS and yellow for FALSE ALARM.
- 14.6.4 The system shall automatically generate daily event logs and operator performance records for each shift.
- 14.6.5 Reports shall include the date, time, operator identification, number of bags screened, threat category and response outcomes in counts and percentages.
- 14.6.6 Daily, weekly and monthly reports shall be retrievable for any specified reporting period.
- 14.6.7 TIP records shall be retained for a minimum of two months after download and protected against unauthorised alteration or deletion.

15. **Control Desk:** A secure control desk with lockable housing shall be provided. Operator identification shall be possible through the keyboard or an equivalent input facility.
16. **Maintenance Reminder:** The machine shall provide maintenance reminders or service notifications.
17. **Display Information:** The display shall show the date, time and operator ID.
18. **Baggage Counter:** An electronic baggage counter facility is preferred.
19. **Inverse Video:** An inverse video imaging facility shall be available.
20. **Black-and-White Imaging:** The machine shall provide black-and-white image display.
21. **Image Enhancement:** Image enhancement facilities shall be available for improved image interpretation.
22. **Image Recall:** The machine shall be capable of recalling at least 15–20 previously scanned baggage images.
23. **Image Archiving:** The system shall support archiving of at least 5,000–6,000 images, with additional capacity where required by the operational workload and retention policy.
24. **Detector Fault Protection:** In the event of defective detector diode arrays or a comparable detector fault affecting image quality, scanning shall be disabled where necessary and an error message displayed.
25. **Software and Recovery:** The supplier shall provide the required scanner software, recovery media or equivalent recovery facility, technical documentation and authorised administrative credentials.
26. **Software Security:** All software features shall be accessible during operation and protected by passwords or equivalent access controls, as appropriate.
27. **Integrated Operation:** The scanner shall operate through an integrated software platform. Functions shall be controllable through a user-friendly keyboard or control panel. Enabling or disabling features shall not require a system reboot.
28. **Image Recording and Export:** The machine shall support image recording and export to approved external media, including USB drives, subject to the security policies applicable to the embassy.
29. **Diagnostic Reports:** The system shall provide software-based diagnostic reports with printing or electronic export capability.
30. **Software Upgrades:** The machine shall support manufacturer-approved software upgrades to accommodate improvements in image processing and pattern recognition.

31. **Operating Environment:** Operating temperature shall be 0°C to 40°C and storage temperature shall be –20°C to 50°C, or better, as supported by the manufacturer.
32. **Protective Cover:** A suitable dust-resistant and anti-rodent protective cover shall be provided.
33. **Manufacturer Certification:** The manufacturer shall hold relevant, valid ISO certification applicable to the manufacture and servicing of X-ray screening equipment. Baggage scanner machines manufactured in countries sharing a land border with India shall not be eligible for consideration, even if the bidder emerges as the lowest (L1) bidder, in accordance with the applicable Government of India procurement guidelines and restrictions.
34. **Safety**
 - 34.1 **Radiation-safety certification:** Certificates or test reports relating to compliance with health and safety requirements concerning mechanical, electrical and radiation hazards, issued or recognized by the competent regulatory authorities of the host country, may be accepted. Accordingly, a safety certificate issued or recognized by the UAE's Federal Authority for Nuclear Regulation (FANR) may be accepted, subject to compliance with applicable safety standards and local regulatory requirements.
 - 34.2 Radiation leakage from the machine shall remain within applicable UAE regulatory limits. The supplier shall provide a valid radiation leakage test report demonstrating compliance with applicable FANR requirements.
 - 34.3 Suitable lead-impregnated safety curtains or equivalent radiation-shielding provisions shall be provided at both ends of the tunnel.
 - 34.4 Suitable radiation survey equipment or a dosimeter shall be provided for radiation- safety checks, as required by applicable regulations and operating procedures.

II-C ACCEPTANCE TESTS – COMBINED TEST PIECE (CTP)

35. Combined Test Piece (CTP)

The manufacturer shall provide one Combined Test Piece (CTP) set per machine for verifying operational performance during commissioning and routine operation.

35.1 CTP Requirements

The CTP shall support verification of image resolution, penetration, material discrimination and spatial resolution.

- 35.2 **Single-Wire Resolution (Test No. 1):** The machine shall demonstrate visibility of 42 SWG wire or better, in accordance with the specified CTP test procedure.
- 35.3 **Useful Penetration (Test No. 2):** The machine shall demonstrate the required wire visibility behind the specified aluminium step wedge.
- 35.4 **Material Discrimination (Test No. 3):** The machine shall demonstrate differentiation between organic and inorganic materials using multi-energy X-ray imaging.
- 35.5 **Sample Penetration (Test No. 4):** The machine shall demonstrate the specified penetration performance using an appropriate steel step wedge and lead marker.
- 35.6 **Spatial Resolution (Test No. 5):** The machine shall demonstrate horizontal and vertical spatial resolution using an appropriate resolution test pattern.
- 35.7 **Thin Metal Imaging (Test No. 6):** The machine shall demonstrate its ability to display thin metal strips of varying thicknesses.
- 35.8 **Test Method**
- 35.8.1 CTP testing shall be conducted daily to verify satisfactory machine performance, and the results shall be recorded.
- 35.8.2 The CTP shall be passed through the scanner at least once daily before baggage screening begins, or after the machine is switched on.
- 35.8.3 Image enhancement may be used to assess the CTP image. The test piece shall be positioned in accordance with the manufacturer's instructions.
- 35.9 **Results**
- 35.9.1 The best satisfactory test results obtained using colour and black-and-white images shall be recorded.
- 35.9.2 Test records shall include the date, time, machine identification, supervisor's name and relevant remarks.
- 35.9.3 A supervisory officer shall review the test results weekly against the daily records. If performance is unsatisfactory, the machine shall not be used until the fault has been rectified and satisfactory performance has been verified.
- 35.9.4 Test records shall be retained for at least one year and made available to authorised inspection personnel.

II-D WARRANTY, MAINTENANCE AND MISCELLANEOUS

36. Warranty and Maintenance

The initial warranty period of three years may be followed by a seven-year AMC, thereby providing a total coverage period of ten years from the date of installation and commissioning of the equipment. The tender documents should clearly specify the respective scope and terms of the warranty and AMC.

37. Miscellaneous

The supplier shall provide the following with the equipment:

- (i) One CTP set per machine for commissioning and maintenance testing.
- (ii) A suitable voltage stabiliser with isolation transformer, where required by the manufacturer's specifications.
- (iii) Training materials, charts, slides, brochures, technical diagrams and demonstration videos covering operation and maintenance.
- (iv) A complete technical manual and practical operator and maintenance training at least four times per year during the warranty period.
- (v) User handbook and applicable preservation and maintenance literature.

SECTION – III: MINIMUM ELIGIBILITY CRITERIA

The invitation to tender is open to all bidders who meet the following minimum eligibility criteria. Bids of firms not meeting **all** these criteria shall be rejected at the technical evaluation stage.

- 3.1 Legally valid entity:** The bidder shall be a legally valid entity registered in the UAE and shall possess a valid and current **Trade Licence** issued by the competent authority (e.g., Abu Dhabi Department of Economic Development or the equivalent authority of any Emirate), authorising the supply, installation and/or maintenance of security screening/X-ray equipment.
- 3.2 VAT registration:** The bidder shall be registered for VAT with the Federal Tax Authority (FTA), UAE, and shall furnish its Tax Registration Number (TRN) certificate.
- 3.3 Experience:** The bidder shall have been in the business of supply, installation and maintenance of X-ray baggage scanners or similar security screening equipment for at least **five (05) years** (as shown by its Trade Licence), and shall have supplied and commissioned at least **three (03)** X-ray baggage scanners in the UAE during the last five years, each supported by a work order/contract and a completion or performance certificate from the client.
- 3.4 OEM or authorised dealer:** The bidder shall either be the Original Equipment Manufacturer (OEM) of the offered X-ray baggage scanner or its authorised dealer/distributor/service provider in the UAE, duly authorised by the OEM to supply, install and provide warranty and maintenance support for the offered equipment for the entire warranty and AMC period (Annexure-5).
- 3.5 Quality certification:** The OEM shall possess valid ISO certification applicable to the manufacture and servicing of X-ray screening equipment, as required at Section II-B, item 33.
- 3.6 Radiation-safety certification:** The offered model of baggage scanner shall comply with the health and safety requirements concerning **mechanical, electrical and radiation hazards**. Certificates or test reports relating to such compliance, **issued or recognised by the competent regulatory authorities of the host country (UAE)**, shall be accepted. Accordingly, a safety certificate issued or recognised by the **Federal Authority for Nuclear Regulation (FANR), UAE** shall be accepted, subject to compliance with the applicable safety standards and local regulatory requirements. The bidder (or the OEM's UAE entity through which the equipment will be imported and installed) shall also hold, or undertake to obtain before supply, the FANR licence/authorisation required for the import, sale, installation and servicing of X-ray (radiation-generating) equipment in the UAE.
- 3.7 Eligibility of manufacturers (country of origin):** In accordance with the applicable Government of India procurement guidelines and restrictions, **X-ray baggage scanners manufactured in a country sharing a land border with India shall not be eligible for consideration, even if the bidder emerges as the lowest (L1) bidder.** The bidder shall

state the country of manufacture of the offered model in the declaration at Annexure-4, and the OEM shall confirm it in Annexure-5. A bid offering such equipment shall be rejected at the technical evaluation stage, and if the equipment supplied is found at any stage to have been manufactured in such a country, the contract shall be terminated and the Performance Security forfeited, without prejudice to any other action.

3.8 No debarment: The bidder shall not have been blacklisted, debarred or declared ineligible by the Government of India, any Indian Mission/Post abroad, the Government of the UAE or any other Government body (Annexure-4).

3.9 After-sales service: The bidder shall have an established after-sales service set-up in the UAE with OEM-trained service engineers (the address of the service centre to be stated in Annexure-2), and shall undertake to ensure availability of spare parts for the offered equipment for a minimum of **ten (10) years** from the date of installation and commissioning (Annexure-4).

3.10 Documents in support of the Minimum Eligibility Criteria

The documents to be submitted as proof of the above criteria are listed in the Bidder's Checklist at **Annexure-1**. Copies of all documents shall be self-attested (signed and stamped) by the bidder. The Embassy may ask to see the originals.

Note: The Embassy reserves the right to verify any document with the issuing authority, client, OEM or authorised distributor. Any false, forged or misleading document shall result in rejection of the bid, action under the Bid Securing Declaration and such further action as may be permissible.

SECTION – IV: INSTRUCTIONS TO BIDDERS

4. BID SECURING DECLARATION

- 4.1** In accordance with Rule 170(iii) of GFR 2017, **no Earnest Money Deposit is required** for this tender. Instead, every bidder shall sign the Bid Securing Declaration contained in the Letter of Bid and Declaration at **Annexure-4**.
- 4.2** By signing the declaration, the bidder accepts that it shall be suspended for a period of **two (02) years** from being eligible to submit bids for contracts with the Embassy of India, Abu Dhabi, if it (a) withdraws or modifies its bid during the period of bid validity; or (b) having been notified of the award of the contract, fails or refuses to sign the contract or to furnish the Performance Security within the stipulated period.
- 4.3** Bids not accompanied by the signed Bid Securing Declaration shall be summarily rejected.

5. VALIDITY OF BIDS

- 5.1** Bids shall remain valid and open for acceptance for a period of **90 days** from the last date of submission of bids. A bid valid for a shorter period shall be rejected as non-responsive.
- 5.2** If the Client invites a bidder for negotiations, such negotiations shall not constitute cancellation or withdrawal of the original offer, which shall remain binding on the bidder.
- 5.3** In exceptional circumstances, the Client may request bidders to extend the bid validity for a further period of up to 60 days. Such extension shall be without any modification of the bid, including the prices quoted. A bidder may refuse the request without any action under the Bid Securing Declaration.

6. SITE VISIT, PRE-BID MEETING AND CLARIFICATIONS

- 6.1** Interested bidders may visit the proposed installation site to assess the space, floor loading, electrical supply, entry/exit routes and other site requirements between **22.10.2026 and 05.11.2026**, from 1100 hrs to 1600 hrs (Monday to Friday), after obtaining a prior appointment by e-mail at **prop.abudhabi@mea.gov.in**. Names and Emirates ID/passport copies of the persons visiting shall be furnished while seeking the appointment.
- 6.2** A pre-bid meeting shall be held at the Embassy on **02.11.2026 at 1500 hrs**. Bidders may submit their written queries by e-mail latest by **05.11.2026**. Queries received after this date may not be considered.
- 6.3** Clarifications/amendments arising from the pre-bid meeting, if any, shall be uploaded on the Embassy website and the CPPP as a corrigendum and shall form part of the Tender Document. The identity of the bidders raising queries shall not be disclosed.
- 6.4** **Security conditions for site visits and the pre-bid meeting:** Not more than **two (02)** representatives per firm shall be permitted, on production of the original Emirates ID/passport matching the details furnished in advance. Visitors shall be escorted at all times and shall be shown only the proposed installation area. Photography, video or audio

recording, and the use of mobile phones or other recording devices are strictly prohibited; such devices shall be deposited at the Reception if so required. The Embassy may deny or terminate a visit without assigning any reason.

- 6.5** All information relating to the Embassy's premises, layout, entry points and security arrangements obtained by a bidder during the site visit, pre-bid meeting or tender process is **confidential**. It shall be used only for preparing the bid and shall not be disclosed to any third party. No drawings or layout plans of the premises shall be issued to bidders at the bid stage; any site-specific details required shall be shared with the successful bidder only after signing of the contract.

7. AMENDMENT OF TENDER DOCUMENT

- 7.1** At any time before the deadline for submission of bids, the Embassy may, for any reason, whether on its own initiative or in response to a clarification sought by a prospective bidder, modify the Tender Document by issuing a corrigendum/addendum. In order to give bidders reasonable time to take the amendment into account, the Embassy may, at its discretion, extend the deadline for submission of bids.

8. PREPARATION OF BIDS

- 8.1** **Language:** The bid and all accompanying documents shall be in **English**. Documents in any other language shall be accompanied by an authenticated English translation, which shall prevail.
- 8.2** **One set only:** The Technical Bid and the Financial Bid shall each be submitted in one original set. No copies are required.
- 8.3** **Envelope A – Technical Bid** shall contain the following, with all pages numbered and all forms signed and stamped by the authorised signatory:
- (a) Bidder's Checklist – **Annexure-1**;
 - (b) Letter of Bid and Declaration, including the Bid Securing Declaration – **Annexure-4**;
 - (c) Authorisation/Power of Attorney of the person signing the bid;
 - (d) Contact Details Form – **Annexure-2**;
 - (e) Technical Compliance Statement – **Annexure-3**;
 - (f) Manufacturer's Authorisation Form – **Annexure-5** (or OEM certificate where the bidder is the OEM);
 - (g) Documents in support of the Minimum Eligibility Criteria, as listed in Clause 3.10; and
 - (h) Manufacturer's brochure/datasheet of the offered model (printed copies acceptable).

8.4 Envelope B – Financial Bid shall contain only the Price Schedule in the format at **Annexure-6**, duly completed, signed and stamped. The prices shall be quoted in UAE Dirhams (AED), in figures and in words.

8.5 The Technical Bid (Envelope A) shall not contain any indication of price. A bid in which prices are disclosed in the Technical Bid shall be summarily rejected.

8.6 Any correction in the bid shall be initialled by the authorised signatory. Bids submitted by fax or e-mail shall not be accepted.

9. SUBMISSION OF BIDS

9.1 Bids shall be submitted under the two-bid system (Technical Bid and Financial Bid) in the prescribed formats, in sealed envelopes as follows:

ENVELOPE 'A'	Technical Bid
ENVELOPE 'B'	Financial Bid

9.2 Each envelope shall be sealed and superscribed with the tender number, the name of the work, the envelope description and the name and address of the bidder. The two envelopes shall be placed in one outer sealed envelope superscribed "**Tender No. Abu/Admn/815/1/2026 for Supply, Installation, Testing and Commissioning of X-Ray Baggage Scanner – Do not open before 12.11.2026 at 1100 hrs**" and addressed to:

**The Head of Chancery
Embassy of India
Plot No. 10, Sector W-59/02
Diplomatic Area, Off the Airport Road
Abu Dhabi, United Arab Emirates**

9.3 The bid shall be deposited at the Reception of the Embassy on or before **1300 hrs on 11.11.2026**. Bids received after the stipulated date and time, for any reason whatsoever including postal/courier delay, shall not be accepted.

9.4 A bidder may modify or withdraw its bid by written notice received by the Embassy before the deadline for submission of bids. No bid shall be modified or withdrawn after the deadline.

9.5 The Competent Authority reserves the right to extend the date and time for submission of bids before the opening of the Technical Bids. Any such extension shall be notified on the websites.

9.6 Each bidder shall submit only one bid, offering only one make and model. A bidder submitting more than one bid or more than one model shall be disqualified.

10. BID OPENING PROCEDURE

10.1 The Technical Bids (Envelope A) shall be opened at the Embassy at **1100 hrs on 12.11.2026** by the Tender Opening Committee constituted by the Competent Authority,

in the presence of the bidders or their authorised representatives who choose to attend. Representatives shall produce a letter of authorisation and sign the attendance sheet.

- 10.2** The absence of a bidder or its representative shall not affect the validity of the bid opening procedure.
- 10.3** If the date fixed for opening of bids is subsequently declared a holiday, the bids shall be opened on the next working day at the same time and venue, unless otherwise notified.
- 10.4** After opening of the Technical Bids and verification of the Bid Securing Declaration, the Technical Evaluation Committee shall evaluate the bids for compliance with the minimum eligibility criteria, the technical specifications and the other requirements of the Tender Document. A list of technically qualified bidders shall be prepared.
- 10.5** The Financial Bids (Envelope B) of only the technically qualified bidders shall be opened on **19.11.2026**, at a time to be intimated to them by e-mail/telephone. The Financial Bids of technically disqualified bidders shall be returned unopened.
- 10.6** At the opening of the Financial Bids, the names of the bidders and the prices quoted shall be read out and recorded.

11. CLARIFICATION DURING TECHNICAL EVALUATION

- 11.1 Basis of technical evaluation:** The Technical Bids shall be evaluated on a **qualified / not qualified** basis (no marks), against the eligibility criteria in Section III and the items listed in the Technical Compliance Statement (Annexure-3). For items marked * in Annexure-3, compliance shall be accepted only if it is shown in the manufacturer's brochure/datasheet at the page referred to; an unsupported claim shall be treated as not complied.
- 11.1A Clarifications and missing documents:** The Embassy may ask any bidder in writing to clarify its bid, but no change in the substance of the bid, including the price or the offered model, shall be permitted. The Embassy may also allow a bidder to submit, within a short time, a missing document that already existed on the last date of bid submission (such as a copy of a certificate). This shall not apply to the Letter of Bid and Declaration (Annexure-4), the Technical Compliance Statement (Annexure-3) or the Financial Bid. Clarifications not requested by the Embassy shall not be considered.
- 11.2** If a bidder fails to provide the clarification sought by the date and time specified, its bid may be rejected.
- 11.3** The Embassy reserves the right to seek confirmation/clarification from the issuing authority, client, manufacturer or authorised distributor regarding the authenticity of the documents, certificates, product specifications and authorisation letters submitted by the bidder, and may call for a demonstration of the offered model, if required.

12. EVALUATION OF FINANCIAL BIDS AND AWARD OF CONTRACT

- 12.1** The contract shall be awarded to the technically qualified bidder quoting the **lowest evaluated total price (L1)**. The evaluated total price shall be the **Grand Total (Part A + Part B) of the Price Schedule at Annexure-6, excluding VAT**, i.e., the cost of supply,

Tender No. Abu/Admn/815/1/2026 – X-Ray Baggage Scanner, Embassy of India, Abu Dhabi

installation, testing, commissioning, training and three years' comprehensive warranty (Part A) plus the comprehensive AMC charges for the seven years following the warranty (Part B).

- 12.2** **Arithmetical errors** shall be corrected as follows: where there is a discrepancy between the unit price and the total price, the unit price shall prevail and the total price shall be corrected; where there is a discrepancy between the amounts in figures and in words, the amount in words shall prevail. A bidder who does not accept the correction of errors shall have its bid rejected and shall be liable to action under the Bid Securing Declaration.
- 12.3** Where the quoted price of any item is left blank, the bid shall be treated as non-responsive. Any rebate or discount offered shall be considered only if it is unconditional and stated in the Financial Bid.
- 12.4** In case two or more bidders quote the same lowest evaluated price, the Competent Authority may decide the award by draw of lots in the presence of the tied bidders or their representatives.
- 12.5** Negotiations, if any, shall be held only with the L1 bidder and only in exceptional circumstances, in accordance with the guidelines of the Government of India.
- 12.6** The successful bidder shall be issued a Letter of Award (LoA)/Purchase Order by the Embassy. The successful bidder shall convey its acceptance within **seven (07) days**, sign the Contract Agreement (Annexure-8) within **fifteen (15) days**, and furnish the Performance Security within **twenty-one (21) days** of the issue of the LoA.

13. GROUND FOR REJECTION OF BIDS

Without prejudice to the other provisions of the Tender Document, a bid shall be liable to be rejected if:

- (a) it is received after the deadline for submission or is not submitted in the prescribed manner;
- (b) it is not accompanied by the signed Bid Securing Declaration (Annexure-4);
- (c) the bidder does not meet any of the minimum eligibility criteria, or the offered baggage scanner is manufactured in a country sharing a land border with India (Clause 3.7), irrespective of the bidder's ranking in the financial evaluation;
- (d) the offered equipment does not conform to the Scope of Work and Technical Specifications, or the bid contains material deviations or conditions;
- (e) prices are indicated in the Technical Bid, or the Financial Bid is not in the prescribed format;
- (f) it is unsigned, incomplete, or contains false or misleading information; or
- (g) the bidder resorts to canvassing or any corrupt, fraudulent, collusive or coercive practice.

- 13.1** The Competent Authority reserves the right to accept or reject any or all bids, or to annul the tender process at any time before the award of contract, without assigning any reason and without incurring any liability to the bidders.

SECTION – V: GENERAL AND SPECIAL CONDITIONS OF CONTRACT

14. PRICES AND TAXES

- 14.1** The prices quoted shall be **firm and fixed** for the entire contract period, including the AMC period, and no price escalation on any account shall be permitted.
- 14.2** Prices shall be quoted in **UAE Dirhams (AED)** only, in the format at Annexure-6, and shall include the cost of the equipment and all standard and specified accessories, software and licences, packing, freight, insurance, customs duties and clearance, transportation to the Embassy, unloading and positioning, any civil/electrical/mechanical work required for installation, installation, testing, commissioning, radiation survey, training, documentation and comprehensive warranty.
- 14.3** VAT shall be indicated separately in the Price Schedule and shall be paid at the applicable rate against a valid tax invoice issued in accordance with UAE VAT law.
- 14.4** The bidder shall be solely responsible for all statutory obligations, licences, permits, fees and taxes relating to its business, personnel and the performance of the contract.
- 14.5** **Definitions:** For the purposes of this Tender Document and the contract: (a) "**Supply Value**" means the total of Part A of the Price Schedule (Annexure-6), excluding VAT, i.e., the price for supply, installation, testing, commissioning, training and three years' comprehensive warranty; (b) "**AMC Value**" means the total of Part B of the Price Schedule, excluding VAT, i.e., the comprehensive AMC charges for the seven years following the warranty; and (c) "**Contract Price**" means the Supply Value plus the AMC Value.

15. DELIVERY, INSTALLATION AND COMMISSIONING

- 15.1** The successful bidder shall complete the supply, installation, testing and commissioning of the baggage scanner, including training, within **sixty (60) days** from the date of issue of the LoA/Purchase Order.
- 15.2** The equipment shall be supplied and installed at the **Embassy of India, Plot No. 10, Sector W-59/02, Diplomatic Area, Off the Airport Road, Abu Dhabi**, at the location designated by the Embassy.
- 15.3** The supplier shall furnish a delivery schedule at least seven days in advance, and all deliveries and works shall be carried out on working days during hours approved by the Embassy, without disrupting the functioning of the Embassy.
- 15.4** The equipment supplied shall be **brand new, unused, of the latest model and of current manufacture**, conforming to the approved make and model. Refurbished, reconditioned or demonstration equipment shall not be accepted. Certificates of origin and of manufacture date shall be furnished at the time of delivery.
- 15.5** The risk in the equipment shall remain with the supplier until its acceptance by the Embassy. The supplier shall insure the equipment against loss or damage during transit, storage and installation.

15.6 Integrity of supply: The equipment shall be procured only through the OEM's authorised supply channel and shall be delivered in the OEM's original sealed packaging, which shall be opened only in the presence of the Embassy's representatives. The supplier shall furnish the OEM's certificate of authenticity listing the serial numbers of the system and its major sub-assemblies, which shall be verified and recorded at the time of joint inspection. Equipment showing signs of tampering, or whose serial numbers do not match, shall be rejected.

15.7 The supplier shall not install, and the equipment shall not contain, any software, firmware, hardware or functionality other than that declared in the bid and documented by the OEM. The supplier shall furnish a list of all software and firmware installed, with version numbers.

16. INSPECTION, TESTING AND ACCEPTANCE

16.1 On delivery, the equipment shall be jointly inspected by the Embassy and the supplier for make, model, quantity, physical condition and accessories.

16.2 After installation, the supplier shall carry out the acceptance tests specified in the Scope of Work, including tests with the Combined Test Piece (CTP) and a radiation leakage survey, in the presence of the Embassy's representatives, and shall submit the test reports. The radiation leakage survey shall be carried out by a person/agency authorised under FANR regulations, and the equipment shall not be put into use until radiation levels are certified to be within the limits prescribed by FANR.

16.3 The equipment shall be deemed accepted only on the issue of an **Acceptance Certificate** by the Embassy after satisfactory installation, testing, commissioning and training. The Embassy may reject any equipment that fails to meet the approved specifications, acceptance tests or safety requirements, and the supplier shall replace or rectify it at its own cost within the time specified by the Embassy.

16.4 At the time of commissioning, the supplier shall hand over the operator and maintenance manuals, software (with recovery media) and administrator passwords, the warranty certificate and the other documents specified in the Scope of Work.

16.5 Security inspection: Before acceptance, the Embassy (or any agency designated by the Ministry of External Affairs) may carry out a security inspection of the installed equipment, including verification that all wireless/communication modules are absent or disabled, external ports are secured, default passwords have been changed and no undeclared software is present. Acceptance shall be issued only after this inspection is satisfactorily completed.

17. PERFORMANCE SECURITY

17.1 The successful bidder shall furnish a Performance Security of **five per cent (5%)** of the **Supply Value** (Part A of the Price Schedule) within **twenty-one (21) days** of the issue of the LoA, in favour of "**Embassy of India, Abu Dhabi**", in the form of a Bank Guarantee from a bank operating in the UAE (in the format at Annexure-7) or an Account Payee Demand Draft/Pay Order. The Performance Security shall remain valid for a period of

sixty (60) days beyond the date of completion of all contractual obligations, including the warranty period.

- 17.1A** Bank Guarantees furnished as Performance Security shall be verified by the Embassy directly with the issuing bank. A Bank Guarantee that cannot be confirmed by the issuing bank shall be treated as not having been submitted, without prejudice to action under Clause 27.
- 17.2** No separate Performance Security shall be required for the AMC, as AMC charges are payable quarterly in arrears after the services have been rendered (Clause 19.3).
- 17.3** The Performance Security shall be forfeited by order of the Competent Authority in the event of any breach or non-observance of the terms and conditions of the contract, failure to supply, install or commission the equipment within the stipulated period, unsatisfactory performance, or failure to provide warranty/AMC services.
- 17.4** Failure to furnish the Performance Security within the stipulated period shall constitute a breach of contract, and the Embassy shall be free to cancel the award, take action under the Bid Securing Declaration and make alternative arrangements at the risk and cost of the bidder.
- 17.5** On satisfactory completion of all contractual obligations, the Performance Security shall be returned without interest, on submission of a "No Demand Certificate" by the supplier, subject to recovery of any amounts due to the Embassy.

18. WARRANTY AND ANNUAL MAINTENANCE CONTRACT (AMC)

- 18.1 Total coverage period:** The equipment shall be covered by an **initial comprehensive warranty of three (03) years**, followed by a **comprehensive AMC of seven (07) years**, thereby providing a **total coverage period of ten (10) years from the date of installation and commissioning** of the equipment, as recorded in the Acceptance Certificate issued by the Embassy. In accordance with Rule 169 of GFR 2017, the equipment shall be maintained free of charge during the warranty period, and paid maintenance (AMC) shall commence only thereafter.

(A) Warranty – scope and terms (Years 1 to 3)

- 18.2 Period:** Three (03) years from the date of installation and commissioning.
- 18.3 Scope:** The warranty shall be on-site and comprehensive, covering defects in design, materials and workmanship of the complete system, including the X-ray generator/tube, detector arrays, conveyor system, computer/workstation, monitors, UPS, software and all accessories, together with all spare parts, labour, software updates, travel and transportation, at no additional cost to the Embassy.
- 18.4 Cost:** The cost of the warranty shall be included in Part A of the Price Schedule (Annexure-6). No separate charge shall be payable for any service or part during the warranty period.
- 18.5 Security:** The Performance Security under Clause 17.1 shall cover the warranty obligations.

(B) Annual Maintenance Contract – scope and terms (Years 4 to 10)

- 18.6 Period:** Seven (07) years commencing on the day following the expiry of the warranty period.
- 18.7 Scope:** The AMC shall be comprehensive and shall cover preventive and corrective maintenance of the complete system, including replacement of all defective parts (including the X-ray generator/tube and detector arrays), labour, software updates, travel and transportation, without any additional charge beyond the AMC fee.
- 18.8 Rates:** The AMC shall be at the annual rates quoted in Part B of the Price Schedule, which shall remain firm for the entire seven-year period and are included in the evaluation of bids (Clause 12.1).
- 18.9 Agreement and renewal:** A separate AMC agreement shall be signed before the expiry of the warranty period. The AMC shall be operated annually and renewed each year subject to satisfactory performance. The Embassy reserves the right not to enter into, or to discontinue, the AMC in case of unsatisfactory service, without any liability.
- 18.10 Payment:** AMC charges shall be paid as per Clause 19.3.

(C) Service levels applicable during both the Warranty and AMC periods

- 18.11 Preventive maintenance:** At least **once every three (03) months**, including software calibration, image-quality checks, radiation leakage testing and conveyor inspection and lubrication, with a service report signed by the Embassy after each visit.
- 18.12 Breakdown response:** Complaints shall be attended on-site within **24 hours** and the equipment restored to working condition within **72 hours** of the complaint. Where rectification is likely to take longer, the supplier shall provide standby equipment of equal or higher specification, wherever feasible. Any standby equipment shall comply with all the conditions of this tender, including Clauses 3.6, 3.7 and 21.
- 18.13 Penalty for downtime:** For downtime beyond the permitted rectification time, a penalty of **AED 200 (UAE Dirhams Two Hundred) per day** shall be levied, subject to a maximum of 10% of the Supply Value during the warranty period and of the quarterly instalment during the AMC period, and recovered from the supplier's bills or the Performance Security. During the warranty period, the warranty shall also be extended by the period of downtime.
- 18.14 Spare parts:** All parts replaced shall be new, genuine and OEM-certified. The supplier shall ensure availability of spare parts for the entire ten-year coverage period. Hard disks and any other component capable of storing images, logs or data shall not be removed from the premises when replaced; they shall be retained by the Embassy for destruction under its supervision.
- 18.15 Radiation safety:** The radiation leakage test during preventive maintenance shall confirm that levels remain within the limits prescribed by FANR, and the report shall be submitted to the Embassy.

- 18.16** Any further technical service requirements shall be as specified in the Scope of Work. In case of conflict, the more stringent requirement shall apply.

19. TERMS OF PAYMENT

- 19.1** No advance payment shall be made.

- 19.2** Payment of the **Supply Value (Part A of the Price Schedule)** only shall be made as follows:

- (a) **70%** of the Supply Value shall be paid upon delivery of the equipment, against submission of the invoice and supporting documents (delivery note, certificates of origin and OEM certificate of authenticity) and joint inspection under Clause 16.1.
- (b) **30%** of the Supply Value shall be paid upon successful installation, testing and commissioning of the equipment and completion of training, in accordance with the contract terms and to the satisfaction of the Embassy of India, Abu Dhabi, as evidenced by the Acceptance Certificate issued under Clause 16.3, against submission of the invoice and test/radiation survey reports, and subject to the Performance Security under Clause 17.1 having been furnished.

The above 100% relates only to the Supply Value. The warranty obligations shall be secured by the Performance Security under Clause 17.1, which shall remain valid for sixty (60) days beyond the completion of the warranty period, in accordance with Rule 171 of GFR 2017. The AMC Value (Part B) is not part of these instalments and shall be paid separately, during the AMC period, as per Clause 19.3.

- 19.3 AMC payments:** AMC charges shall be paid **only at the annual rate quoted in Part B of the Price Schedule (Annexure-6) for the relevant year of the AMC**. The annual rate for each year shall be paid in **four equal quarterly instalments in arrears** (i.e., one-fourth of the quoted annual rate), on satisfactory completion of the services for the quarter. The supplier shall submit a tax invoice for each instalment, together with the service reports signed by the Embassy; the invoice shall be only a claim for the instalment due and shall not exceed it. No other charge for spare parts (including the X-ray generator/tube and detector arrays), labour, software updates, preventive or breakdown visits, travel or transportation shall be payable during the AMC period. Penalties, if any, under Clause 18.13 shall be deducted from the instalment. If the quarterly preventive maintenance under Clause 18.11 is not carried out in any quarter, the instalment for that quarter shall not be paid. No advance payment shall be made for the AMC.
- 19.4** Payments shall be made in **AED by bank transfer** to the supplier's bank account in the UAE, normally within thirty (30) days of receipt of a correct and complete invoice, subject to the Embassy's financial procedures.
- 19.5** The Embassy shall be entitled to deduct from any payment the liquidated damages, penalties or other amounts recoverable from the supplier under the contract.

20. LIQUIDATED DAMAGES FOR DELAY

- 20.1** If the supplier fails to complete the supply, installation and commissioning within the stipulated period, the Embassy shall, without prejudice to its other remedies, deduct as liquidated damages **0.5% of the Supply Value of the delayed equipment/services for each week or part thereof of delay**, subject to a maximum of **10%** of the Supply Value.
- 20.2** If the delay exceeds **thirty (30) days** beyond the stipulated period, or the maximum liquidated damages are reached, the Embassy may terminate the contract, forfeit the Performance Security and procure the equipment from elsewhere at the risk and cost of the supplier.
- 20.3** Liquidated damages shall be recovered from the payments due to the supplier or from the Performance Security.

21. SECURITY REQUIREMENTS – PREMISES, PERSONNEL AND DATA

- 21.1** Personnel deployed at the Embassy shall be nationals of India or of a country friendly to India, as determined by the Embassy. The supplier shall furnish their names and copies of their passport/Emirates ID at least **five (05) working days** before deployment for delivery, installation or maintenance. Entry shall be permitted after security clearance by the Embassy, and the Embassy may deny entry to any person without assigning any reason.
- 21.2** The supplier's personnel shall carry valid identity cards, shall be escorted at all times, shall have access only to the area where the work is to be carried out, shall work only during hours approved by the Embassy, and shall comply with all security instructions of the Embassy, including instructions on deposit of mobile phones and other devices. They shall not take photographs or make any recording, and shall not remove any material, document or data from the premises.
- 21.3** The supplier shall nominate a fixed pool of cleared service engineers for the warranty and AMC periods; any change in the pool shall be notified in advance and shall be subject to fresh clearance. Personnel of any sub-contractor, transporter or logistics agency entering the premises shall be subject to the same conditions.
- 21.4 Standalone operation:** The baggage scanner and its workstation shall operate as **standalone equipment** and shall not have any internet, network, wireless (Wi-Fi, Bluetooth, cellular or other), remote diagnostic or remote technical support facility in any form. Any wireless or communication module shall be physically absent or removed, which the supplier shall certify in writing at the time of installation.
- 21.5 Image recording to USB and other ports:** The facility for recording/exporting images to external USB media, as specified in the Scope of Work, shall be provided. Such recording shall be possible only through a log-in of the system administrator designated by the Embassy and only on USB media issued and controlled by the Embassy; each export shall be recorded in the system audit log. All other external ports of the workstation not required for operation shall be disabled or physically secured. The

supplier and its personnel shall not connect any USB or other media of their own to the equipment.

- 21.6 Access control and passwords:** All default and vendor/service passwords shall be changed at the time of handover, and administrator credentials shall be held only by the Embassy. Service engineers shall be given access only for the duration of a service visit, and every login shall be recorded in the system audit log.
- 21.7 Software and firmware updates:** Updates shall be OEM-released, shall be provided on media scanned and approved by the Embassy, and shall be installed only in the presence of the Embassy's representative. Remote or online updating is prohibited. Service laptops or diagnostic tools shall be connected to the equipment only with the Embassy's prior permission.
- 21.8 Ownership of data:** All images, logs and data generated by the equipment are the property of the Embassy and shall not be accessed, copied, transmitted or removed by the supplier, its personnel or the OEM.
- 21.9** Any breach of this Clause 21 shall be treated as a material breach of contract, entitling the Embassy to terminate the contract, forfeit the Performance Security and debar the supplier, without prejudice to any other action.

22. REGULATORY COMPLIANCE AND SAFETY

- 22.1** The supplier shall comply with all applicable UAE laws and regulations, including the regulations of the **Federal Authority for Nuclear Regulation (FANR)** relating to the import, transport, installation, operation and servicing of radiation-generating equipment, and shall obtain, or provide all documentation and support required for obtaining, any licence, permit or registration necessary for the equipment.
- 22.2** The supplier shall ensure that its personnel are qualified and authorised to carry out the work, and shall follow all health, safety and environmental requirements while working at the Embassy.

23. LIABILITY AND INDEMNITY

- 23.1** The supplier shall be responsible for any loss of or damage to the property of the Embassy, and for any injury to persons, caused by the supplier or its personnel during delivery, installation, testing, commissioning or maintenance, and shall make good such loss or damage at its own cost.
- 23.2** The supplier shall indemnify the Embassy against all claims, including claims of infringement of patent, trademark or other intellectual property rights arising from the use of the equipment or software supplied, and claims by its personnel or third parties arising out of the performance of the contract.
- 23.3** The supplier's personnel shall be its employees for all purposes and shall have no claim of any nature against the Embassy.

24. SUB-CONTRACTING, ASSIGNMENT AND CONFIDENTIALITY

24.1 The supplier shall not assign or sub-contract the contract, in whole or in part, without the prior written consent of the Embassy.

24.2 The supplier shall treat as confidential all information relating to the Embassy, its premises, layout, entry points, security arrangements and the configuration of the equipment that comes to its knowledge in the course of the tender or the contract. It shall not disclose such information to any third party, including the OEM except to the extent strictly necessary for warranty/AMC support, and shall not use the Embassy's name in any reference list, advertisement or publicity without prior written consent. This obligation shall survive the expiry or termination of the contract. This obligation is also included in the Contract Agreement (Annexure-8).

25. TERMINATION

25.1 Termination for default: The Embassy may, by written notice, terminate the contract in whole or in part if the supplier fails to supply or commission the equipment within the stipulated period, fails to perform any other obligation under the contract and does not remedy the failure within fifteen (15) days of a notice from the Embassy, or is found to have engaged in any prohibited practice. In such an event, the Embassy may forfeit the Performance Security and procure similar equipment/services at the risk and cost of the supplier.

25.2 Termination for insolvency: The Embassy may terminate the contract without compensation to the supplier if the supplier becomes bankrupt or insolvent.

25.3 Termination for convenience: The Embassy may, by thirty (30) days' written notice, terminate the contract, in whole or in part, for its convenience, specifying the extent of termination and the effective date. Payment shall be made for equipment/services satisfactorily delivered up to the date of termination.

26. FORCE MAJEURE

26.1 Neither party shall be liable for any delay or failure in performance of its obligations to the extent that such delay or failure results from an event of Force Majeure, i.e., an event beyond the reasonable control of the party which could not reasonably have been anticipated, such as acts of nature (earthquakes, floods, storms), epidemics, war (declared or undeclared), hostilities, acts of State, national emergencies and civil commotion.

26.2 The affected party shall notify the other party in writing within seven (07) days of the occurrence of the event, with supporting evidence. If the Force Majeure event continues for more than sixty (60) days, either party may terminate the contract by written notice without any financial liability, except for payment for equipment/services already delivered and accepted.

27. CODE OF INTEGRITY

27.1 In accordance with Rule 175 of GFR 2017, bidders and the supplier shall observe the highest standard of ethics and shall not indulge in any corrupt, fraudulent, collusive,

coercive or obstructive practice, or in any conflict of interest, during the tender process or the execution of the contract.

- 27.2 If a bidder or the supplier is found to have violated the Code of Integrity, the Embassy may, without prejudice to any other action under law, reject the bid, invoke the Bid Securing Declaration, forfeit the Performance Security, terminate the contract and debar the firm from future procurement of the Embassy.

28. SETTLEMENT OF DISPUTES AND GOVERNING LAW

- 28.1 The Embassy and the supplier shall make every effort to resolve amicably, by direct informal negotiation, any dispute arising in connection with the contract.
- 28.2 If the dispute is not resolved within thirty (30) days, it shall be referred to the sole arbitration of an arbitrator appointed by the **Ambassador of India to the UAE**. The arbitration shall be conducted in accordance with the Arbitration and Conciliation Act, 1996 of India, as amended. The venue of arbitration shall be Abu Dhabi and the language shall be English. The award of the arbitrator shall be final and binding on both parties.
- 28.3 The contract shall be governed by and construed in accordance with the laws of India.
- 28.4 Nothing contained in this Tender Document or the contract shall be construed as a waiver, express or implied, of any of the privileges and immunities enjoyed by the Embassy of India under the **Vienna Convention on Diplomatic Relations, 1961** or otherwise under international law.

29. OTHER CONDITIONS

- 29.1 The supplier shall carry out the work in a manner that does not hamper the functioning of the Embassy or the work of other agencies operating at the site. Coordination with such agencies shall be the supplier's responsibility.
- 29.2 Should any item or work not envisaged in the Tender Document become necessary, its price shall be mutually agreed between the Embassy and the supplier on the basis of a rate analysis or the prevailing market rates, before the item or work is undertaken. This clause shall not apply to any item or service covered by the warranty or the comprehensive AMC.
- 29.3 The supplier shall remove all packing material and debris from the site after installation and restore the site to its original condition.
- 29.4 The documents forming the contract shall be read as mutually explanatory. In case of any ambiguity, the decision of the Competent Authority of the Embassy shall be final and binding on the supplier.
- 29.5 All notices under the contract shall be in writing and delivered by hand, courier or e-mail to the addresses stated in the contract.
- 29.6 At the end of the service life of the equipment, or on replacement of any radiation-generating component, the supplier shall assist the Embassy in its disposal in accordance

Tender No. Abu/Admn/815/1/2026 – X-Ray Baggage Scanner, Embassy of India, Abu Dhabi
with FANR regulations. All storage media shall be removed and destroyed under the Embassy's supervision before any equipment or component leaves the premises.

BIDDER'S CHECKLIST

(To be completed and placed at the beginning of Envelope A. Do not enter any price in this checklist.)

Tender No. Abu/Admn/815/1/2026 – Supply, Installation, Testing and Commissioning of X-Ray Baggage Scanner

Name of the Bidding Firm:

Please tick each item before sealing the bid. A bid with a required document missing is liable to be rejected.

S. No.	Document	Tender reference	Yes / No	Page No.
ENVELOPE A – TECHNICAL BID				
1	Letter of Bid and Declaration, including the Bid Securing Declaration, signed and stamped	Annexure-4		
2	Authorisation/Power of Attorney of the person signing the bid	Cl. 1.4		
3	Contact Details Form	Annexure-2		
4	Valid Trade Licence	Cl. 3.1		
5	FTA VAT (TRN) Registration Certificate	Cl. 3.2		
6	Work orders and completion/performance certificates for at least three (03) X-ray baggage scanners supplied and commissioned in the UAE in the last five years	Cl. 3.3		
7	Manufacturer's Authorisation Form, stating the country of manufacture (or OEM certificate if the bidder is the OEM)	Annexure-5; Cl. 3.4, 3.7

LETTER OF BID AND DECLARATION

(Including Bid Securing Declaration under Rule 170(iii) of GFR 2017. To be printed on the bidder's letterhead and submitted in Envelope A)

Dated: 2026

To,
The Head of Chancery
Embassy of India
Plot No. 10, Sector W-59/02
Diplomatic Area, Off the Airport Road
Abu Dhabi, United Arab Emirates

Ref: Tender No. Abu/Admn/815/1/2026 dated 22.10.2026 for Supply, Installation, Testing and Commissioning of X-Ray Baggage Scanner

Sir/Madam,

I/We, the undersigned, on behalf of M/s, hereby offer, declare and undertake as follows:

1. **Acceptance of terms:** We have examined the Tender Document, including the Scope of Work, technical specifications and all corrigenda, and accept all its terms and conditions without any reservation. We understand that the Embassy is not bound to accept the lowest or any bid.
2. **Offer:** We offer to supply, install, test and commission the X-Ray Baggage Scanner, and to provide the three-year comprehensive warranty and the seven-year comprehensive AMC, at the prices quoted in our Financial Bid (Envelope B).
3. **Bid validity:** Our bid shall remain valid for **90 days** from the last date for submission of bids.
4. **Bid Securing Declaration:** We accept that we shall be suspended for a period of **two (02) years** from being eligible to submit bids for contracts with the Embassy of India, Abu Dhabi, if we (a) withdraw or modify our bid during the period of bid validity; or (b) having been notified of the award of the contract, fail or refuse to sign the contract or to furnish the Performance Security. This declaration shall cease to be valid if we are not the successful bidder, upon the earlier of the notification of the award to another bidder or thirty (30) days after the expiry of our bid validity.
5. **Performance Security:** If awarded the contract, we shall sign the contract and furnish the Performance Security of 5% of the Supply Value within 21 days of the issue of the Letter of Award.
6. **No debarment:** Our firm, its partners/directors and the OEM have not been blacklisted, debarred or declared ineligible by the Government of India, any Indian Mission/Post abroad, the Government of the UAE or any other Government body.

7. **Country of manufacture:** The X-ray baggage scanner offered by us (Make:, Model:) is manufactured in (country), which **does not share a land border with India**. We understand that, in accordance with the applicable Government of India procurement guidelines, baggage scanners manufactured in countries sharing a land border with India are not eligible even if we emerge as the lowest (L1) bidder.
8. **Equipment:** The equipment offered is brand new, unused, of the latest model and of current manufacture, and complies with the technical specifications in Section II.
9. **Standalone operation:** The equipment has no internet, wireless or remote connectivity or remote support facility in any form, and contains no hidden, undeclared or malicious software, firmware or hardware.
10. **FANR:** We hold FANR licence/authorisation No. valid up to / We undertake to obtain the FANR licence/authorisation required for the import, sale, installation and servicing of the equipment before supply (strike out whichever is not applicable).
11. **Warranty, AMC and spares:** We shall provide the three-year comprehensive warranty and the seven-year comprehensive AMC as specified, through our after-sales service centre in the UAE with OEM-trained engineers, and shall ensure availability of spare parts for ten (10) years from the date of installation and commissioning.
12. **Bankruptcy and litigation:** Our firm has not filed for bankruptcy, no judgment, claim, arbitration or suit is pending against our firm or its officers, and we have not failed to complete any work awarded to us, except as disclosed in an attached statement (strike out if not applicable).
13. **Confidentiality:** We shall keep confidential all information about the Embassy's premises and security arrangements obtained during the tender process, whether or not we are awarded the contract.
14. **Integrity:** We shall abide by the Code of Integrity under Rule 175 of GFR 2017, and all information furnished in our bid is true and correct. We understand that any false information shall lead to rejection of our bid or termination of the contract.

PROFORMA OF PERFORMANCE BANK GUARANTEE

(FOR THE SUCCESSFUL BIDDER ONLY – NOT TO BE SUBMITTED WITH THE BID. On the letterhead of a bank operating in the UAE / non-judicial paper of appropriate value)

To,
The Head of Chancery
Embassy of India
Plot No. 10, Sector W-59/02
Diplomatic Area, Off the Airport Road
Abu Dhabi, United Arab Emirates

Bank Guarantee No.:

Date:

Dear Sir/Madam,

This has reference to the Letter of Award/Purchase Order No. dated placed by the Embassy of India, Abu Dhabi (hereinafter called "the Embassy") with M/s (name and address of the supplier) (hereinafter called "the Supplier") for the Supply, Installation, Testing and Commissioning of X-Ray Baggage Scanner at the Embassy of India, Abu Dhabi.

The conditions of the said order provide that the Supplier shall:

- (a) supply, install, test and commission the equipment listed in the said order at the Embassy, as per the details given therein; and
- (b) provide comprehensive warranty and maintenance support for the equipment supplied, as per the warranty and AMC clauses of the said order and the Tender Document.

The Supplier has accepted the said order with the terms and conditions stipulated therein and has agreed to furnish a Performance Bank Guarantee towards due performance of its contractual obligations. The Supplier holds an account with us and has approached us, and at its request and in consideration of the promises, we, ... (name of bank), hereby irrevocably and unconditionally undertake to pay the Embassy, on its first written demand and without demur, protest or reference to the Supplier, any sum or sums up to a maximum of **AED** (**UAE Dirhams** **only**), without the Embassy needing to prove or show grounds for its demand.

The Embassy shall be at liberty, without reference to the Bank and without affecting the full liability of the Bank hereunder, to take any other undertaking or security in respect of the Supplier's obligations, to vary the terms of the said contract, to grant time or indulgence to the Supplier, to vary the prices or the total contract value, or to forbear from enforcing any of the obligations of the Supplier, and no such dealing, variation, release or forbearance shall have the

effect of releasing the Bank from its full liability hereunder or of prejudicing the rights of the Embassy against the Bank.

This guarantee shall be a continuing guarantee and shall remain valid and irrevocable for all claims of the Embassy and liabilities of the Supplier arising up to and until (being sixty days beyond the completion of all contractual obligations, including the warranty period). The right of the Embassy to recover the said sum from us shall not be affected or suspended by reason of any dispute raised by the Supplier or pending before any officer, tribunal, court or arbitrator.

We have power to issue this guarantee in your favour under the Memorandum and Articles of Association of our Bank, and the undersigned has full power to do so under the Power of Attorney dated

Notwithstanding anything contained herein:

1. Our liability under this guarantee shall not exceed AED (UAE Dirhams only).
2. This bank guarantee shall be valid up to (date of expiry).
3. We are liable to pay the guaranteed amount, or any part thereof, under this bank guarantee only if you serve upon us a written claim or demand on or before (date of expiry of claim period).

For and on behalf of (Name of Bank)

FORMAT OF CONTRACT AGREEMENT

(FOR THE SUCCESSFUL BIDDER ONLY – NOT TO BE SUBMITTED WITH THE BID)

THIS AGREEMENT is made on the day of 20..... between the **Embassy of India, Abu Dhabi**, Plot No. 10, Sector W-59/02, Diplomatic Area, Off the Airport Road, Abu Dhabi, UAE, represented by the Head of Chancery (hereinafter called "the Embassy"), of the one part, and **M/s**, having its registered office at (hereinafter called "the Supplier"), of the other part.

WHEREAS the Embassy invited bids vide Tender No. Abu/Admn/815/1/2026 dated 22.10.2026 for the Supply, Installation, Testing and Commissioning of X-Ray Baggage Scanner and has accepted the bid of the Supplier for the said supply and services for the sum of **AED** (**UAE Dirhams** **only**) (excluding VAT) towards Part A, and **AED** (**excluding VAT**) towards the comprehensive AMC for seven years (Part B) (hereinafter called "the Contract Price").

NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:

1. In this Agreement, words and expressions shall have the same meanings as are respectively assigned to them in the Tender Document.
2. The following documents shall be deemed to form, and be read and construed as, part of this Agreement, in the following order of precedence:
 - (a) this Contract Agreement;
 - (b) the Letter of Award/Purchase Order;
 - (c) the Tender Document, including the Scope of Work, technical specifications and all corrigenda;
 - (d) the Financial Bid (Price Schedule) of the Supplier;
 - (e) the Technical Bid of the Supplier, including the Technical Compliance Statement; and
 - (f) the Performance Security.
3. In consideration of the payments to be made by the Embassy, the Supplier hereby covenants with the Embassy to supply, install, test and commission the equipment, provide training, and provide comprehensive warranty and AMC services, and to remedy defects therein, in conformity in all respects with the provisions of the Contract.
4. The Embassy hereby covenants to pay the Supplier, in consideration of the due performance of the Contract, the Contract Price or such other sum as may become payable under the provisions of the Contract, at the times and in the manner prescribed in the Contract.

5. The Supplier shall comply with the security and confidentiality obligations in Clauses 21 and 24 of the Tender Document, which shall survive the expiry or termination of this Agreement.
6. Nothing in this Agreement shall be construed as a waiver of the privileges and immunities of the Embassy under the Vienna Convention on Diplomatic Relations, 1961.

IN WITNESS WHEREOF the parties hereto have caused this Agreement to be executed on the day, month and year first written above.
