Advisory for applying on Government of India e-Visa website/URL

A number of fake/fraudulent visa websites/URLs are reported to be in circulation which claim to offer Indian e-Visa for applicants desiring to travel to India. Some of these websites/URLs have even created images and homepage templates mimicking the Government of India websites to mislead e-Visa applicants.

2. Kindly note that the only Government of India website/URL dealing with Indian e-Visa is <https://indianvisaonline.gov.in/evisa/tvoa.html> . No other website/URL belongs to the Government of India for e- Visa applicants.

3. Applicants are, therefore, requested to apply for e-Visas through the Government of India website/URL only at <https://indianvisaonline.gov.in/evisa/tvoa.html> and no other website/URL offering Indian e-Visa services should be relied.
