

NOTICE

Invitation for Bharat Mobility Global Expo 2025

The Engineering Exports Promotion council (EEPC) of India under the overall guidance of Ministry of Commerce & Industry, Government of India is organizing a mega event **Bharat Mobility Global Expo 2025** during **17th - 22nd January, 2025** at three venues viz **Bharat Mandapam (ITPO), Delhi, Yashbhoomi (India International Convention and Expo Center), Dwaraka, Delhi and India Expo Center & Mart, Greater Noida.**

The event aims to establish itself as a platform for collaboration, knowledge sharing, networking, and fostering synergies that will drive the future of mobility and showcase India's influence in the global mobility sector. The six-day event will focus on the entire mobility value chain under one roof and will feature specialized exhibitions on automobiles, e-mobility, eco-system, steel, start-ups, batteries, micro mobility, transport authorities, software and electronics, tyres, air mobility, state and investments and research organizations etc.

The exhibition will be accompanied by knowledge sessions, workshops, conferences, CEO round tables, as well as business-to-business (B2B), government-to-government (G2G) and business to consumer (B2C) interactions.

A power point presentation (PPT) containing full information of the event is enclosed herewith. For more information please visit; <https://bharat-mobility.com/> . Shri. Adip Mitra, Executive Director & Secretary, EEPC India, amitra@eepcindia.net can be reached out for further details in the matter.

Narendra Modi

Prime Minister of India

"The need of the hour today is to develop a mobility ecosystem that is sustainable and in harmony with the environment. Environmentally-conscious and economically viable mobility is the future."

Mobility Vision Based on 7Cs

Bharat Mobility Global Expo

Inspired by the 7Cs mobility vision set by the Prime Minister, the global expo celebrates India's growing role as a global hub for mobility, showcasing success across the automotive and mobility value chain and cutting-edge technologies.

Now in its second year, the global expo will again unite the entire mobility value chain under one umbrella.
