

NOTICE

Invitation for Advantage Healthcare India (AHCI)

The Federation of Indian Chambers of Commerce & Industry (FICCI) is organizing the **8th edition of Advantage Healthcare India (AHCI)** from **23rd to 25th February, 2025** at the **India Expo Center & Mart, Greater Noida (NCR), Uttar Pradesh, India.**

AHCI is Asia's largest event on Medical Value Travel (MVT) and features an exhibition, conference, and a Reverse Buyer Seller Meet (RBSM). The event serves as a premier platform to showcase India's healthcare strengths globally and to foster collaborations and partnerships across the healthcare ecosystem. A key component of the event, the RBSM, aims to promote partnerships in the medical and holistic healthcare sectors between India and partner countries. It brings together leading Indian healthcare providers and international stakeholders to enhance synergies in healthcare and wellness.

The organizer would be grateful if the nominations could be shared by 30.11.2025 in the following format:

Name	Designation	Organisation	Mobile	Email
-------------	--------------------	---------------------	---------------	--------------

All delegates are required to complete online registration on the event website provided below. **Registration Link:** <https://ahcindia.ficci.in/registrations/ahci-hosted-foreign-delegate-registration.php>

As part of hospitality, **FICCI will provide complimentary hotel accommodation for 3 nights** near the event venue, along with other local logistical support for the delegates participation in Advantage Healthcare India 2026. FICCI will host up to **8-10 delegates per country** on a **first-come, first-served basis**, subject to profile suitability and approval by the Screening Committee.

ORGANISERS

Established in 1927, FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies.

A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry. From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry. It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states, reaching out to over 2,50,000 companies.

FICCI provides a platform for networking and consensus building within and across sectors and is the first port of call for Indian industry, policy makers and the international business community.
